### Boat rules

This as a security for both, renter and landlord, in case something can happend. Please go through the following points with your landlord / service person. If you damage the boat or equipment you are responsible for these in renting period!

The boats are insured by an amount of NOK 15000, -. This means, if the damage is lower than NOK 15000, - you pay the damage completely self. If the damage over NOK 15000, - you pay the amount of NOK 15000, -. The rest is covered by the insurance.

- **Damages, what can happen in prohibition area and/or ignore bad weather, renter must pay all what has been damage.**
- **Renter should pay for fuel**
- **Towing will be payed by renter because of empty fuel or bad weather**
- **Towing will be payed renter because of damages in prohibition area.**
- **Diesel boat engine can't be stopping , when renter are out in sea. If you will make this and we need go rescues people, renter will get pay 2000 NOK.**
- **All the time use map when you using boat.**
- **Weather changing very fast in sea- all the time check weather before you go in [www.yr.no](http://www.yr.no) Titran and respect, that you can go fishing in bad weather !**
- **It is no low to fishing closer then 100 m from fish farm.**
- **The garbage / leftovers/ waste from fish need to be emptied into the sea, the same day. This must be done in a secure and far distance from the floating dock and contruction area.**
- **If you born 1980 or later and you want drive longer then 8 meter boat or more power then 25 horsepower, you must have a boat driver license**
- **Respect speed limits on the sea and pay attention to other boats. Maximum speed when passing the quay is 5 knots.'**

| <b>Boat-checklist</b> | <b>Arrival</b> | <b>Departure</b> |
